Pi'erre Bourne

Play me some pimpin, mane  
Real good out here, mane

I'm smoking doja  
Ghetto millionaire off the trenches just like a soldier  
Ain't no pressure like Kobe, 'cause I'm a closer  
Show respect, you don't gotta love me  
Treat crypto like bible study, we get to a lot of money  
You know us, rock a white bear on the bitch, this shit is polar  
I go outer space with a bitch, this shit is solar  
Buying NFTs in the metaverse, now I own 'em  
Now I own 'em

Streets hot, better get about it  
Don't wait 'til your vision clouded  
Crypto, real estate, you should probably different route it  
Trust my grind, I didn't doubt it  
Been a north Memphis nigga and I'm still about it  
But this money don't drive the car, gotta get about it  
And not just any type money, I'm talking crypto accounts  
Banks can't do shit about  
'Bout to call and reflood my ditches out  
Bullshit gets censored out, I make moves and fish it out  
We so strong, you can't take it when I dish it out  
If you ain't getting this free money, then you missing out  
Came from public housing  
Now I own cribs with sculptures and fountains

I'm smoking doja  
Ghetto millionaire off the trenches just like a soldier  
Ain't no pressure like Kobe, 'cause I'm a closer  
Show respect, you don't gotta love me

Could've been that nigga on the block,  
Told 'em, only time I'm lying  
Call me royal highness, all my weed the finest  
All my weed's designer, I smoke Balenciaga  
She on my dick for free, gave her two racks for a piece  
But I ain't no Gandhi,  
She got plenty bodies, hittin' my bitch in the 'rari  
Hey, got more bread than your favorite artist, and that nigga charge  
Ain't even have to bother you, all this shit I did I started  
Nigga play it out like a turn, when she recommend  
Pull up and we sin, in the wet cup I got ten  
Yeah, I'm fucking in repent, yeah, that was it

I'm smoking doja
