It's not your cheese, you ain't owe us shit
Like no placements
Boy I'm sick
Where the room I'm the patient
Rosa parks
Gotta make some moves to the front

And my granny looking down
With a smile right now
Yeah I'm about to win, 21
Yeah it just begun
Why y'all niggas started a race
Without telling me
Some friends, these niggas
All more like enemies
I can't tell the difference
I got Stella vision
Not no Bellma vision
Just wait till I pull up in my
Mystery machine
Some shit you never seen
Like a fucking movie scene
6 inch
Yea you see damn people fresher death

Don't cremate my things
