I be getting sossed up just 'bout everyday
But, on Saturday's

I'm faded
I'm faded, I don't wanna drive home, I won't make it (Ooh)
I see you, you see me
I'm leaning with my people
And she horny
I introduced myself, I told her my name's Jordan (Ooh)
And I love it when she smile at me in the bedroom when we fucking
Did I just go there?, I did
Baby, fuck me good, we can have kids
I think I'm on a trip
I feel like I'm on a trip

Ooh
I know you want it
I know you wanna move me, girl
I see you there, I know you want it
Come get sossed up and I'm on it

I be getting sossed up on a Saturday (Saturday)
I be getting sossed up just 'bout everyday
But, on Saturday's

And if the head right, I'm coming back every night

So you only get the pipe, trife'
I know it's time but, charge it to the game
Tried to right my wrongs, she was fucking with a lame, woah nelly
Wetter than them- thought you had one in your belly (Yup)
Yup, yup, not from me though

Getting no sleep 'cause we up grinding
Working under pressure just to cop blood diamonds
