That royal blue Corvette
They gon' be like "He shitting on us."
I'ma be like "Hell yes!"
Bitch, we up next
Only got one preview left
Smoking on some special that make you feel so special like you just won a medal

Aye, how does it feel, how does it feel, how does it really feel?
How does it really feel?
Yeah, how does it feel, how does it feel, how does it really feel, when ever ything is really real?

Aye, aye
You can have fun
You can have fun 'cause we done
Aye, bitch, we done
You can have fun
Gone and have fun
Aye, aye

You can have fun 'cause we done
Aye, bitch, we done

Gone and have fun

Boy, I feel like I'm the man
Young nigga, I got the plan
Got the world in my damn hands
You don't really understand
Drumline, nigga, boy, I'm 'bout a band
She wide open, popping Xans
She say she ain't got no man
She sexy, I got a cam'
Man, it is so many- it's so many- it's so many hoes
Yeah, I got them pennies, bro
Why I gotta choose?
Ain't tripping if I lose
Kill the pussy, won't you?
She don't smoke blunts, she say raw life
I'm like, hold up, won't be no raw pipe

Aye, how does it feel, how does it feel, how does it really feel?
How does it really feel?
Yeah, how does it feel, how does it feel, how does it really feel, when ever ything is really real?

Aye, aye

You can have fun 'cause we done
Aye, bitch, we done
You can have fun
Gone and have fun
Aye, aye
You can have fun
You can have fun 'cause we done
Aye, bitch, we done
You can have fun
Gone and have fun
