Pi'erre Bourne

Death note like Ryuk  
Death note like Ryuk  
She was livin' her best life as a youth  
Death note like Ryuk (Yo Pi'erre, you wanna come out here?)  
She was livin' her best life as a youth  
Didn't have a home or roof  
Death note like Ryuk

Her boyfriend didn't even have a fucking clue  
Let her see my fucking view  
Now she got accustomed to it  
Her best friend like, "That ain't fair, I wanna fuck on him too"  
She didn't get to bust a move  
She still sent me a bunch of nudes  
Codeine bottles in the crib, I try to hide 'em from you  
Let's be honest, you'll abuse 'em just like I do

Yeah, that pussy wetter than a typhoon  
I get to beatin' on her back, I'ma baboon  
Huh, runnin' through them racks, I bet I pass you  
She said this pussy yours, prove it get a tattoo  
In front of Stop N Go  
This rent can't get past due  
We smoking Cali in the A, them packs get vacuumed  
She want ass shots, I want a whole brick  
I'm bustin' packs down with my dad, it make no sense (Yo Pi'erre, you wanna come out here?)  
Baby, I know you been going through it  
Real natural, no sow into it  
Whip the dope, put my toe into it  
Told the plug put no lows into it  
Yeah, every night I fuck her like I'm going away  
Before I lay, I pray to the Lord my soul to take

She was livin' her best life as a youth  
Death note like Ryuk

Diamonds like Nana, man, wait for the thunder  
Make my next move, my best move, no mistake  
15K room service, on tour with Drake  
No, I'm not perfect 'cause we not the same  
Me and my squad, I'm Waka Flocka Flame (Yo, Pi'erre, you wanna come out here)

Money blew like Avatar, bitch, I'm Aang  
Netflix and chill, we watchin' Stranger Things  
Whippin' the rowa, you know I got range  
Shittin' on y'all like a diaper need change  
Sauce on my shirt, but it don't got no stain  
I put in work, yeah, you know I go slay  
She puttin' in work when I get off the stage  
I gotta workout, my body's out of shape (Sossboy)
