

# Sensitivity

Pi'erre Bourne

She was absurd  
Rollin' this  
Calming her nerves  
Keep coming in third  
Why I keep on coming in third?  
This ain't this shit I deserve  
I'mma just work  
I be gunnin' every year

Why these niggas so sensitive?  
All these niggas so sensitive  
Why these niggas so sensitive?  
All these niggas so sensitive  
Why these niggas so sensitive?  
All these niggas so sensitive  
All these niggas so sensitive  
All these niggas so sensitive  
Why these niggas so sensitive?  
All these niggas so sensitive  
Why these niggas so sensitive?

Why these niggas so sensitive?  
All these niggas so sensitive  
All these niggas so sensitive  
All these niggas so sensitive

They forgot all about me  
Like this shit was geometry  
Life ain't got shit to do with shapes  
But all my pockets oughta be  
Niggas living fiction, horror stories  
Like they JK Rowling written  
Yeah I'm MJ, I'm Jordan nigga  
Steph Curry, score percentage  
Yeah I'm always goin' in and it's cool  
Came out like a fool, cause I was really ouchin'  
Sleepin' on so many couches, in the backseats  
She was harder than a New York nigga callin' taxi  
Yeah I grew up with the New York minute and that's why I move so rapid  
Yeah I'm friends with oh no no no, no no, no casket  
Yeah I love my daddy so I know I'm not no bastard  
I just roll some more cactus  
All this green for the pain  
All this green I gotta gain  
Talkin' washin' machines, yuh  
Saint Louis bitch stay right there  
She said she really wanna hit it right there  
Tell my Saint Louis bitch stay right there  
She said she really wanna hit it right there  
Lightwork  
It's lightwork  
Got this money on my mind I don't like her, yeah  
Got this money on my mind I don't like her  
I ain't trippin' bout' y'all, ooh  
Gotta get money my dawg, ooh  
Gotta get money my dawg, ooh  
Gotta get money my dawg, ooh

Money the root of all evil, ooh  
But I'm good wit my people, ooh  
Money the root of all evil, ooh  
But I'm good wit my...  
I ain't trippin' bout' y'all, ooh  
Gotta get money my dawg, ooh  
Gotta get money my dawg, ooh  
Gotta get money my dawg, ooh  
Money the root of all evil, ooh  
But I'm good wit my people, ooh  
Money the root of all evil, ooh  
Don't get so damn sensitive!
