Sossboy 2

Pi'erre Bourne

Why you still telling lies
Diamonds hit like rainbow pride

Sleep on me just like goodnight
He scary like he sleep with the lights

Cause your diamond ain't hitting right
Fresh to death like you ain't survive

I'm from the bottom like an anchor line
My bloodline from the ancient times
Smoking weed by the ancient Mayans

You niggas funny like Richard Pryor
My shit crack it get you higher

Boy you ain't loyal you switching teams
Niggas ain't permanent like ink

I got bands like I'm NSYNC
Money talk at the same time like jinx

I can't smoke if that shit don't stink
I'm on the web she wanna link

You stab me in the back like Zelda & Link
I'm getting paid like the end of the week

If we gone drink got Hennessy
Nigga got rich like I got oil

Smoking on purple like Crown Royal
Bitch I'm a king like Simba roar

When I'm in Paris its J'adore
Nigga playing games like Connect Four

CHORUS
So much money coming in
I don't know what this check for
She know I'm stressing again
So you know what the sex for

So much money coming in
I don't know what this check for
She know I'm stressing again
So you know what the sex for

I do not want a new friend
I just wanna get some checks boy
She know I'm stressing again
So you know what the sex for

So much money coming in
I don't know what this check for
She know I'm stressing again
So you know what the sex for

Woah

I just fuck that bitch in a motherfucking telly
Hit it from the back make the bitch shake her jelly

Dark skin girl like Keisha off Belly
Side girl want a Birkin get a Kelly

Please don't call me right here on my celly
Cause my main girl gone get jealous

Balmain jeans these not ambelish
Car so fast look like Andretti

I want top I want that Betty
She got that wop closed my eye Fetty

No this life for me not scary
Shit too sweet on top of the cherry

Dick so big that I fucked your bitch
And I made her bleed like her name Carrie

I put diamonds on my molars
So I could see the tooth fairy
I don't give a fuck about none of these bitches
I share 'em I share 'em I share 'em

Got a boatload (yeah)
With some white and black and asian
Spanish toe toe (yeah)

Diamonds on my neck it got fucking throat froze (yeah)
And your new hoe (yeah)

From my old shows (yeah)
You know how it goes (yeah)

So much money coming in
I don't know what this check for
She know I'm stressing again
So you know what the sex for

So much money coming in
I don't know what this check for
She know I'm stressing again
So you know what the sex for

I do not want a new friend
I just wanna get some checks boy
She know I'm stressing again
So you know what the sex for

So much money coming in
I don't know what this check for
She know I'm stressing again
So you know what the sex for

I flew out the country I gotta deport
You like a midget keep coming up short

Rap game dinner nigga keep give me a fork
I'm with the winners they playing a sport

I get geeked up I go dork
With my soldiers we on fort

Bape camo I'm a chameleon
Perfect fit I'm just blending in

She say my sex a 10 for 10
Niggas throwing shots from lens to lens

I'm getting money fuck Instagram

Beats horse power like an engine man
Watch from a distance that nigga a fan

Playing my cards they watching my hands
Niggas talk greasy just to advance
Shit look easy til you the man

So much money coming in
I don't know what this check for
She know I'm stressing again
So you know what the sex for

So much money coming in
I don't know what this check for
She know I'm stressing again
So you know what the sex for

I do not want a new friend
I just wanna get some checks boy
She know I'm stressing again
So you know what the sex for

So much money coming in
I don't know what this check for
She know I'm stressing again
So you know what the sex for
