

Superstar

Pi'erre Bourne

You're a star (you're a star)
From afar (From afar)
On the moon (On the moon)
See you soon (See you soon)
When you're all alone (all alone)
You fall apart (Fall apart)
And she say I'm needing you (needing you)
I need you too (I need you too, yeah)

Say she gotta get her hair done (yeah)
Say she gotta get her nails done (yeah) (yeah) (yeah)
Girl I love it when your hair done (yeah)
Girl I love it when your nails done (yeah) (yeah) (yeah)
Say she gotta get her hair done (yeah)
Say she gotta get her nails done (yeah) (yeah) (yeah)
Girl I love it when your hair done (yeah)
Girl I love it when your nails done (yeah) (yeah) (yeah)

Girl you gotta get a purple one (yeah)
Girl you gotta get a purple one (yeah) (yeah) (yeah)
Girl you fucking with the purple one (yeah)
Girl you fucking with the purple one (yeah) (yeah) (yeah)
Girl you gotta get a purple one (yeah)
Girl you gotta get a purple one (yeah) (yeah) (yeah)
Girl you fucking with the purple one (yeah)
Girl you fucking with the purple one (yeah) (yeah) (yeah)

I'm on my way home
And I know you waiting by yo phone
She put make up on
Turning up to her song
I just hit yo phone
I think something's wrong
I got shit going on
I can't wait too long
