Well cross in the streets  
Heard you lost a bad bitch  
I got her here, finders keepers  
Blowing weed in front police  
Like I don't even see them  
Hit the curb Rim crack  
Anti up head crack  
My dog ass hit a bad bitch  
On a air mattress  
Ain't call of duty but just call on me  
I gotta care package  
She said just take it easy  
Had her hair wrapped up  
I put her in the air like a pterodactyl

Now she acting Bougee  
She a pre Madonna  
I told her that shit trippen  
I'ma put on this condom  
Bal harbor pipe up  
My young bull a bison  
He say that he like pistols  
Shooting them exciting  
Too much diamonds around my neck  
They might try indict me  
She said I left her in the cold  
Oh well you move conniving  
It's bout guns and butter nigga  
Hope you learn the science  
My lil chocolate bitch fine  
I named her Godiva  
Had him slumped in his car they couldn't revive him  
Egg and waffle dates took her to a diner  
I'll have 'em laying where you lay  
I can get you lined up  
Trap phone won't stop ringing  
I can here it chiming

She wanna lay her ass on this tempurpedic  
Cooking hard in them 'partments  
Had the tenets heated  
I'm like Floyd on the block  
'Cause I ain't defeated  
I think my first lil bad yellow hoe name was  
Radijah  
Hitting Spanish bitches now  
They family in Argentina  
Big money on my line I can't talk about peanuts  
I be in Saks you tried to copy me and fucked up the re up  
I got some lil niggas that look up to me cus I help them re up  
I told her come over I need company  
Now you can't even see her  
Her car got towed she parked in the wrong spot  
I got it out next evening  
Count up a 50 Ball back to back in one day  
That's an achievement  
Paramedics came through and checked his pulse to see if he's even breathing
