

U Aint It

Pi'erre Bourne

(Yeah)
(Let's go)

You know I make big deposits
Free clothes, stuffed in them pockets
And you think you it, you got it
Every time I walk in, I'm coppin
Why you text me like "what you doing?"
Cuz you already hip, I'm shoppin'
Every time you hear my song
Hear that K.U.R.A. it's dotted (yeah)

I can't take shit from nobody as long as you know me I ain't no lame (I ain't no lame)
You and me got like whole other vibes, my advice: don't swerve in my lane (don't swerve in my lane)
Got a top 5 bitch who suck my dick, leave me spinnin I'm goin insane (I'm goin insane)
Too much smoke, gas up in my room, smell the crud on the denim it's stained

Big body truck so we can't get stuck
Four-wheel drive, four racks in the trunk
He act for the net, better give the shit up
And I ain't gon trip when I spend a few bucks
Haven't slept in days, you can tell on my face
Every day DMs "Kura, drop that tape!"
Sometime the kush help when I'm in that state
But I can't get hooked on nothin' else, I'm straight

Yeah
They say my name when I'm in my city
Call my hoe and she tell me she miss me
I pay for her nails, not surprised that she trippin
Told my bros "Slow down, stop sippin'"
They envying me cuz the way I'm livin
It's more and more cuz the way shit gettin'
I'm happy right now cause the way I'm chillin
Said my pants one band and they thought I was kiddin'

You know I make big deposits
Free clothes, stuff in them pockets
And you think you it, you got it
Every time I walk in, I'm coppin
Why you text me like "what you doing?"
