

# Unsolved Mystery

Pi'erre Bourne

Ayy, nigga (No), I'm all about stoppin' the motherfucking violence, man (Yeah)

But on some real shit, don't bring none of that bullshit (No)

That clout chasing shit (No) to my motherfuckin' door, man (Yeah)

I don't play no games like that (No), bruh

You know what I'm sayin'? I mind my own motherfuckin' business (Yeah)

Just stay the fuck away from me (No), man, or— (No)

(Yeah)

You an unsolved mystery (No)

First forty-eight (Yeah)

You better watch out (No), I'ma step in this bitch (No), I'ma catch me a murder case (Yeah)

You better get some law and some order in this bitch, got a hundred rounds in the Drac' (Yeah, no)

By an old man fishing (No), nigga body found in a lake (Yeah)

You an unsolved mystery (No)

First forty-eight (Yeah)

You better watch out (No), I'ma step in this bitch (No), I'ma catch me a murder case (Yeah)

You better get some law and some order in this bitch, got a hundred rounds in the Drac' (Yeah, no)

By an old man fishing (No), nigga body found in a lake

Standin' by the window with my finger on the trigger

Whole lot of shots, they'll fill you up with liquor

Nowadays, bitches be realer than the niggas

It is what it is and the kids see the difference

Go and get the shovel, I'ma dig me some digits

I'ma put some niggas in 'em, I'ma burn me some bridges

Momma in the front row, cryin' up a river

I be at the gun store, buyin' up the pistols

I ain't lyin' to you, nigga

Fake it like a pig and put the fire to a nigga

Lay him on his back and put the sky to a nigga

The pastor gon' say goodbye to the nigga

See if anybody else wanna ride for the nigga, die for the nigga

Back outside for these niggas, slide for these niggas

Put him six feet

Should've known that the street shit deep

You got your phone in your hand, where ya heat?

(Yeah)

You an unsolved mystery (No)

First forty-eight (Yeah)

You better watch out (No), I'ma step in this bitch (No), I'ma catch me a murder case (Yeah)

You better get some law and some order in this bitch, got a hundred rounds in the Drac' (Yeah, no)

By an old man fishing (No), nigga body found in a lake (Yeah)

You an unsolved mystery (No)

First forty-eight (Yeah)

You better watch out (No), I'ma step in this bitch (No), I'ma catch me a murder case (Yeah)

You better get some law and some order in this bitch, got a hundred rounds in the Drac' (Yeah, no)

By an old man fishing (No), nigga body found in a lake

Rest in peace JP, rest in peace John-  
John (Yeah), rest peace all of my niggas  
Every day I got to fresh to death, like statistics, a nigga gon' kill it (Go  
n' kill it)  
I slept on the floor to get me some more, now, I can sleep on a million (A m  
illion)  
In space like an alien, go back to jail again, only an L, but I'm winnin' (I  
'm winnin')  
Ain't goin' to hell but I'm sinnin' (We sinnin')  
Fuckin' this bitch, drillin' and shit  
Askin' the Lord for forgiveness (Forgiveness)  
Bitch so fine, go raw this time, but a rebel, it catch my feelings (My feeli  
ngs)  
Shorty, I can't catch feelings (No feelings)  
I ain't even catch COVID (No)  
I ball Mello, Terry, Rosen (Yeah)

(No)

You an unsolved mystery  
First forty-eight (Yeah, gon' kill it)  
You better watch out (No), I'ma step in this bitch (No), I'ma catch me a mur  
der case (Yeah, gon' kill it)  
You better get some law and some order in this bitch, got a hundred rounds i  
n the Drac' (Yeah, gon' kill it, yeah, no)  
By an old man fishing (No), nigga body found in a lake (Yeah, gon' kill it)  
You an unsolved mystery (No)  
First forty-eight (Yeah, gon' kill it)  
You better watch out (No), I'ma step in this bitch (No), I'ma catch me a mur  
der case (Yeah, gon' kill it)  
You better get some law and some order in this bitch, got a hundred rounds i  
n the Drac' (Yeah, gon' kill it, yeah, no)  
By an old man fishing (No), nigga body found in a lake (Yeah, gon' kill it)

(Yeah, yeah, yeah, yeah)

What Juicy say? He be like, "Shut the fuck up"

(Yeah, yeah, yeah, yeah)

Yeah (No), yeah, yeah

HitKidd, what it do, man? HitKidd, what it do, man?

Yeah, (No, no)

Yeah, gon' kill it (Yeah, yeah, yeah)
