

## Waves

Pi'erre Bourne

Blunt smoke fill up the room before I pass out  
Yeah, for real  
Everything that we do major even when we cash out, (we gon' cash out)  
You see these clothes, you see our hoes, know what we about (know what we about)  
I can't be surprised when an old bitch turn around want me now

Blunt smoke fill up the room before I pass out  
Yeah, for real  
Everything that we do major even when we cash out  
You see these clothes, you see our hoes, know what we about (know what we about)  
I can't be surprised when an old bitch turn around want me now

Yeah I can't go one day without shopping, I love it  
Why would I front bout my life that's nothing  
Bad bitch match my fly she stunning  
You want a verse but you trash I'm dubbing  
I make waves every time I drop  
Halfway there it just took a few stops

140 for lunch that's just regular day  
Everybody gonna talk open mouths but got nothing to say  
Tryna get inside told my brodie go to get the valet  
And I ain't gonna trip if you fake cuz it's better to stray, for real

Blunt smoke fill up the room before I pass out  
Yeah, for real  
Everything that we do major even when we cash out  
You see these clothes, you see our hoes, know what we about (know what we about)  
I can't be surprised when an old bitch turn around want me now

Blunt smoke fill up the room before I pass out  
Yeah, for real  
Everything that we do major even when we cash out  
You see these clothes, you see our hoes, know what we about (know what we about)  
I can't be surprised when an old bitch turn around want me now
