

Where You Going

Pi'erre Bourne

Your love is priceless
But it cost me every dime (whoa)
And I'll do it again every time (whoa)
If I lose you I'll lose my mind (whoa)
And you told me that you was fine (whoa)
But you showed me I ignored the signs (whoa)

Every time could look in your eyes
And see what's inside (whoa)
She finally decides she leaving this time
At the drop of a dime (whoa)

At the drop of a dime (whoa)
Girl where you going (whoa)
In a blink of a eye (whoa)
Girl where you going (whoa)

At the drop of a dime (whoa)
Girl where you going (whoa)
In a blink of a eye (whoa)
Girl where you going (whoa)

At the drop of a dime (whoa)
Girl where you going (whoa)
In a blink of a eye (whoa)
Girl where you going (whoa)

At the drop of a dime (whoa)
Girl where you going (whoa)
In a blink of a eye (whoa)
Girl where you going (whoa)

Your love is timeless
And you tried to give me some time (whoa)
But I lost you every time (whoa)
Without you it's like the sun don't shine (whoa)

It's raining now
'Cause you been crying (whoa)
And I know you too well
I could tell you're not fine (whoa)

Every time could look in your eyes
And see what's inside (whoa)
She finally decides she leaving this time
At the drop of a dime (whoa)

In a blink of an eye (whoa)
