

# When Your Heart Is Missing A Beat

Pietro Lombardi

If you lonely  
You miss the only  
Love who's in your heart  
And he tears apart  
And you're crying  
Your heart dying  
Cause he fades away  
More and more each day  
I'll stay with you  
When I hold your heart  
Help you try to make a start

Cause when your heart  
Is missing a beat  
And your dreams are full emotionen  
Cause when your love  
Is fading away  
Oh you think your life is gone  
Cause when your heart  
Is missing a beat  
And your tears are like the ocean  
Cause when you're down  
Oh I'll be there  
I will keep your heart in shape

You are praying  
Cause words are saying  
What you feel inside  
It's an endless fight  
You are feeling  
Oh he's stealing  
Oh your heart away  
More on every day  
But I'll stay with you  
And I hold your hand  
Try to make you understand

Cause when your heart  
Is missing a beat  
And your dreams are full emotionen  
Cause when your love  
Is fading away  
Oh you think your life is gone  
Cause when your heart  
Is missing a beat  
And your tears are like the ocean  
Cause when you're down  
Oh I'll be there  
I will keep your heart in shape

Keep your heart in shape
