

## Circle River

Pig Destroyer

Let me tell you about the cowardice  
Of no convictions  
Let me show you some cold  
Rationalizations  
The clever ways i've devised  
For dodging confrontation  
How I play devil's advocate  
If I want a second opinion  
It's not that I don't care  
I'm just tired of going nowhere  
On the circle river  
When will we realize  
It's all been capsized
