

Excess

Pig Destroyer

I took too much, too much today
Just like I did yesterday
I just can't live without it
I've fallen down the Devil's pit
Taking my life, taking me whole
I'm just a man without a soul

Excess, excess, excess, excess
Excess, excess, excess, excess

Excess, excess, excess, excess
Excess, excess, excess, excess
Excess, excess, excess, excess
Excess, excess, excess, excess
