

## Ruination

Pig Destroyer

Foolish young visionary  
your proximity  
to the corrupt epicenter razes  
your walls of morality walls  
of protection  
or of concealment temptation  
of raw power acquiescence  
subsequent exposure leaves  
you impaled  
on your own karmic pike  
with gun as pen blood  
as ink you draft  
the final tragic act  
your long suppressed conscious  
finally liberated  
through the exit wound.
