

Found In Filth

PIG

Wham bam baby slam that ham now
Wham bam baby just like a man now
Wham bam baby just like you began
Wham bam give it all you can

Stronger fitter, faster and fatter
Found in filth, lost in lies
Raised, enslaved, been betrayed
Gimme that shit and I am saved

I've got something that you've never seen now
I'm gonna give it to ya squeaky clean
We've got it working but it's hurting too
With your whips, wheels you'll be coming too

Stronger fitter, faster and fatter
(Open up some more)
Found in filth, lost in lies
(Just like you did before)
Raised, enslaved, been betrayed
(Yeah, open up some more)
Gimme that shit and I am saved
(You're pouring on the floor)
Gimme that shit
Gimme that shit

Wham bam baby slam that ham now
Wham bam cos I'm your man now
Wham bam baby just like you began
Wham bam give it all you can
