

Hello Hooray

PIG

Hello Hooray
Let the show begin
I've been ready
Hello Hooray
As the lights grow dim
I've been ready
Ready as this audience
That's coming here to dream
Laughing every moment
Every second every scream
Oh I've been waiting so long
To sing my song
Oh I've been waiting so long
For this thing to come
And oh I've been thinking so long
I was the only one

Roll out roll out your American dream
And its recruits I've been ready

Roll out roll out your circus freaks
And your hula hoops I've been ready

Oh I've been waiting so long
To sing my song
Oh I've been waiting so long
For this thing to come
And oh I've been thinking so long
I was the only one

Well I can stand here strong and thin
I can laugh when this thing begins

Cause I feel so strong!!!!
I feel so strong, so strong
I feel so strong
I am so strong, so strong
I feel so strong, I feel so strong
