

Stage Slut

PIG

I've got the biggest crimes
For your twisted rhymes
I've got the fattest lines
For our dirty times

Stage slut
Tour whore
Every little hole
Is a perfect goal
Now you'd better go
To your tormented, twisted, torture show

Cut me up
Suck me up
Break me up
Take me up
Mix me up
Break me up
Throw me up
Show me up
Trip me up
Clean me up
Dry me up
Tie me up

Stage slut with a hand in the honey
Tour whore with a fist in the bunny

Stay, baby, stay
And drink with me until I'm dead
Pray, baby, pray
Prey across my big broad bed

Stage slut with a hand in the honey
Tour whore with a fist in the bunny

Cut me up
Suck me up
Break me up
Take me up
Mix me up
Break me up
Throw me up
Show me up
Trip me up
Clean me up
Dry me up
Tie me up

Stage slut with a hand in the honey
Tour whore with a fist in the bunny

Pill me up
Thrill me up
Lock me up
Beat me up

Shoot me up
Scoop me up
Hit me up
Shit me up
Slit me up
Spit me up
Turn me up
Burn me up

Stage slut with a hand in the honey
Tour whore with a fist in the bunny

Set me free
