aaaaali! I used to wake up early for work
6 am on the Metro without a perk
Had to open the bookstore and press my shirt
Cause I had to pay the rent or I was out on dirt
My drawer was comin' up short
They thought I was stealin"
Had to fill a report
I said, "My God! I ain't goin' through this"
Walked home with an attitude to handled my business

Chorus:

Life can drive you crazy
Opticals are hazy
All I wanna do is be lazy
But I gotta get up and graze the field (2X)

Oh my wife be comin' on home
Talkin' about her day and I try not to roam
See all I wanna do is make a beat
And the only interruption's when it's time to eat
I know that it is rude
But a man's got a short attention span, it's true
(Right? Yeah!)

See all my ni***s know
G's up Ho... (John!)
I'm just playing, I'm just playing come on!

Chorus

Bridge:

Donnie, Donnie on the keyboards
Ladies, Fellas, put your hands up
Donnie, thank you
See, I know that it's hard
But we have to?

Everybody just shout, come on let it out (4X)

Chorus
