

# Shake It Down

Pigeon John

(Yeah.)

Come alive let the wind blow  
Outside the bars and the windows  
I wanna see drop on it real slow  
Peel off and bounce on the back road  
Take off, I never look back yo  
Lower the bridge I want contact  
Been so long I can't come back  
Been on the road like I was Jack (Kerouac.)  
Cause it's just the way I roll  
I want it in my soul  
I like the way it flows (Uh huh.)  
Just so you know  
(Oh.)

Every time we come around  
Everybody's getting down  
You know that we'll bring the beats  
Swing those asses move those feet  
Every time the people fall  
Like Michael Reed get off the wall  
You know that we'll bring the heat  
Swing those asses move those feet

Catch the ref the king disco tech  
All I want is that love instead  
All their best but my phone is dead  
Talk to her when I'm home in bed  
Oh my god, yes! (Oh my god!)  
Let it go it comes back around  
Lots of mistakes are in my sound  
Knock about but it won't fall down  
Knock about but it won't fall down  
Knock about but it won't fall down  
Knock about but it won't fall down  
Knock about but it won't fall down

Every time we come around  
Everybody's getting down  
You know that we'll bring the beats  
Swing those asses move those feet  
Every time the people fall  
Like Michael Reed get off the wall  
You know that we'll bring the heat  
Swing those asses move those feet

Every time we come around  
Everybody's getting down  
You know that we'll bring the beats  
Swing those asses move those feet  
Every time the people fall  
Like Michael Reed get off the wall  
You know that we'll bring the heat  
Swing those asses move those feet

(Shake it down)

(C'mon shake it down)

(Hey, what's your name?)  
Let it go a little higher  
Come around here to the fire  
We comin' down to the wire  
It's about time to expire  
Uh, let it out, shake it down now  
Let's see how low you can go  
Got the whole block in my townhouse  
And we about to lose control  
I said, we about to lose control  
I said, we about to lose control

Every time we come around  
Everybody's getting down  
You know that we'll bring the beats  
Swing those asses move those feet  
Every time the people fall  
Like Michael Reed get off the wall  
You know that we bring the heat  
Swing those asses move those feet  
Every time we come around  
Everybody's getting down (Uh huh.)  
You know that we'll bring the beats  
Swing those asses move those feet  
Every time the people fall  
Like Michael Reed get off the wall  
You know that we'll bring the heat  
Swing those asses move those feet

(Hey, hey)  
(Everybody!)  
Move those feet  
(Big girls!)  
(We gone!)  
Move those feet  
(Yo who got the clubs?)  
(Heh heh heh)
