

Henry

Pigface

Oh my heaven's to fucking Betsy now
What, what is going on here?
What what what what, what?
William! William!
Dude, I'm so there, dude dude dude dude
So, so there so there so there so there so there so there
Dude dude dude
Shut the fuck up!
[start of song]
I'd like to kill somebody
Say that again
I'd like to kill somebody
Let's me and you go for a ride
Die, die die die (8x)
Die, die
I'd like to kill somebody
Say that again
I'd like to kill somebody
Let's me and you go for a ride
It's always the same } (4x)
And it's always different }
I'd like to kill somebody
Say that again
I'd like to kill somebody
Let's me and you go for a ride
[end of song]
Now then you've got one more chance
No no you're getting nothing else
You can all fuck off, unless you sing along
Shh shh shh shh
Dream on baby
Guys guys guys dudes dudes dudes
It's a call, how 'bout we do a Skinny Puppy songs
No no no
This is a very early skinny puppy song
It's called, Jingle Bells
[start of song]
Jingle bells jingle bells jingle all the way
Oh what fun it is to ride in a one horse open sleigh HEY!
Jingle bells jingle bells jingle all the way
Oh what fun it is to ride in a one horse open sleigh
[end of song]
And now a special new member of Pigface
Mr. Bill Clinton
My fellow Americans
We've reached a point in history where
It's time for punk rockers like us to stand up
To stand up, take a stand against
Hipocracy, the fowl deads done in the music industry
Upon you, you, the public, you, the kids
A vote for me is a vote for, Abba
