

# Think

Pigface

## Verse:

I knew I'd be alone when I caught you  
Creeping through my mind  
Alone with all my fear  
The pressure building in my head  
I saw you lying there  
Oh, I made a mess of mine  
And all those around  
Think you're so damn cool  
You're so damn cool.

## Chorus:

Don't think about it  
Addiction  
User or Loser  
Don't think about it  
Salvation  
User or Loser  
Mind Abuser

## Interlude:

I'm thinking clearly...  
I'm thinking clearly...  
I'm thinking clearly...  
I'm thinking clearly...  
And now I don't know

## Martin's Speech:

Think- Don't be fooled  
Be Humble  
Be Religious  
Salvation!  
Think very hard about your future-  
And your Life  
Carefully write it down on a large Piece of Paper  
And Flush it down the toilet.
