

## So Hard

Pile

Try so hard  
Take it all  
Then try hard  
Try so hard

Run away  
Run away  
Run away  
Run away

I left off without  
Once was a head  
Then all at once  
Tried it all

Run away  
Run away  
Run away  
Run away

I took off when I  
Saw my own head wasn't right  
I'll be gone [?]
