Cold Stories

Pilot

(Cold stories, thinking it over)
(Cold stories, got to get over)
Cold stories run by

Cold in my feet
Involuntary losing sleep
(Cold stories, thinking it over)
(Cold stories, got to get over)
Cold stories run by

Cold makes me weak
Cardiac rivers run deep
(Cold stories, thinking it over)
(Cold stories, got to get over)
Cold stories run by

Hey friend, pick up the ink pen
Do it again, do it again
Hey friend, pick up the ink pen
Do it again, do it again

(Cold stories, thinking it over)
(Cold stories, got to get over)
Cold stories run by

Hey friend, pick up the ink pen
Do it again, do it again
Hey friend, pick up the ink pen
Do it again, do it again
