

# Don't Speak Loudly

Pilot

If I had the time  
I could make you mine  
If I had the time  
If I passed you by  
Will I make you cry  
If I say good-bye

Your temper is loathsome  
Yes, I know you told someone  
It stung my heart  
It stung my heart  
Let me tell you  
Don't speak loudly  
Don't speak loudly

Is your love so strong  
That you can't get on  
Not without a song  
Did you get enough  
Did you find it rough  
Will you get enough

Your temper is loathsome  
Yes, I know you told someone  
It stung my heart  
It stung my heart  
Let me tell you  
Don't speak loudly  
Don't speak loudly

Your temper is loathsome  
Yes, I know you told someone  
It stung my heart  
It stung my heart  
Let me tell you  
Don't speak loudly  
Don't speak loudly

Your temper is loathsome  
Yes, I know you told someone  
It stung my heart  
It stung my heart  
Let me tell you  
Don't speak loudly  
Don't speak loudly

It stung my heart  
Let me tell you  
Don't speak loudly  
Don't speak loudly
