

# Goldmine

Pilot

Boy, you got a goldmine  
You treat the whole damn thing  
Like a sideline  
And I nearly left you  
Without sunshine

Now you wanna do it  
But no four letter word is gonna prove it  
And I nearly called out  
"Boy, you're stupid"

Ooh, I'm on fire  
Climb a little higher  
(Woo)

Now you wanna do it  
But no four letter word is gonna prove it  
And I nearly called out  
"Boy, you're stupid"  
(Stupid boy!)

(Ooh, hoo, hoo)

Ooh, I'm on fire  
Climb a little higher

Boy, you got a goldmine
