

High into the Sky

Pilot

I heard from afar
All the things that you are
But I still want you
Can't carry on
I belong right or wrong
I'm alive with you
I'll give you everything that I have
To be with you when I'm feeling sad

You boogie and you ball
You're the greatest of them all
I'd like to be naer you
You jerk and you jive
Till it's nearly half past five
I'd die for you
Ask me anything that you would
I'm hungry for you, you're my food

Turn me on
Play me like a song
Give me everything
Everything you have
Say you're mine forever
Fly me high into the sky

Turn me on
Play me like a song
Give me everything
Everything you have
Say you're mine forever
Fly me high into the sky

I'd give you everything that I have
To be with you when I'm feeling sad

Turn me on
Play me like a song
Give me everything
Everything you have
Say you're mine forever
Fly me high into the sky

Turn me on
Play me like a song
Give me everything
Everything you have
Say you're mine forever
Fly me high into the sky

Turn me on
Play me like a song
Give me everything
Everything you have
Say you're mine forever
Fly me high into the sky
