

# Lazy Davie

Pilot

Something tells me he's gone crazy  
Or is it that he's so lazy?  
Full-time jobs are not his liking  
What does he do with his long day?

If I call upon his front door  
All I hear is plenty more snore  
Doesn't like to wash the saucers  
If he does it's too much bother

Lazy Davie  
Likes to play guitar  
That is if he's  
Not too very tired

But his one ambition is to be a star  
And that is that, so there you are

(Ah...)

He has a car when he goes far  
'Cause he likes to drive in his car  
It's too far to walk, of course  
He would rather stay at his home

In his home, he has a sofa  
When he's tired, he likes to loaf there  
If your there, you'll see about that  
David lies there all the daylight

Lazy Davie  
Likes to play guitar  
That is if he's  
Not too very tired

But his one ambition is to be a star  
And that is that, so there you

(Ah...)

(Ooh...)

(Woo...)

Lazy Davie  
Likes to play guitar  
That is if he's  
Not too very tired

But his one ambition is to be a star  
And that is that, so there you are

(Ah...)

(Woo...)
