

Love Is

Pilot

Love is
a chance to get by
a time to maybe fly
the heaven's above
that's what I'm thinking of
oh oh love is, oh oh love is.

Love is
a time to get high
touching the sky
a feeling so fine
it's yours and and mine
oh oh love is
oh oh love is.

Love is something more than sunshine
Love is, love is, love is,
Love is gonna last a lilifetime!

Solo

Love is
a chance to get by
a time to maybe fly
the heaven's above
that's what I'm thinking of
oh oh love is, oh oh love is.

Love is something more than sunshine
Love is, love is, love is,
Love is gonna last a lilifetime!
