Love is a chance to get by a time to maybe fly the heaven's above that's what I'm thinking of oh oh love is, oh oh love is.

Love is a time to get high touching the sky a feeling so fine it's yours and and mine oh oh love is oh oh love is.

Love is something more than sunshine Love is, love is, love is, Love is gonna last a lilfetime!

Solo

Love is a chance to get by a time to maybe fly the heaven's above that's what I'm thinking of oh oh love is, oh oh love is.

Love is something more than sunshine Love is, love is, love is, Love is gonna last a lilfetime!
