

Mr. Do Or Die

Pilot

Peace tomorrow and close the door
Weep for tomorrow and I must go
Speak tomorrow and say goodbye
Don't look back Mr. Do or Die

Hide your lover and choose to lie
Find another and I'll pass by
Live together, don't tell me why
Don't look back Mr. Do or Die

Me, I'm a holy liar, I'm a death defier
I'm an astral flier
You, you're a non-believer
You're a great deciver
You're a sky-high fever

You're a user down to the core
You're a loser, need I say more
Find another, don't tell me why
Don't look back Mr. Do or Die

Don't look back Mr. Do or Die

Me, I'm a holy liar, I'm a death defier
I'm an astral flier
You, you're a non-believer
You're a great deciver
You're a sky-high fever

Peace tomorrow and close the door
Weep for tomorrow and I must go
Speak tomorrow and say goodbye
Don't look back Mr. Do or Die

Me, I'm a holy liar, I'm a death defier
