

Over the Moon

Pilot

Love, you're an open-minded melody
Hm, you're everything I'd like to see
Drop me a line and tell me
I'm the one that you adore
Tell me things you know
That I've never heard before

Love, you're an open-minded melody
Hm, you know that I would like to be
Alone tonight with you
And all the things you have to say
When it's time to leave
You know that I'd like you to stay

Call me up and tell me where you are
Anytime you need a friend
I won't be very far away
Anytime I catch a glimpse of you
Well I'm over the moon
If I'm seeing you soon

Love, you're an open-minded melody
Hm, you're everything I'd like to see
Drop me a line and tell me
I'm the one that you adore
Tell me things you know
That I've never heard before

Call me up and tell me where you are
Anytime you need a friend
I won't be very far away
Anytime I catch a glimpse of you
Well I'm over the moon
If I'm seeing you soon

Well I'm over the moon
If I'm seeing you soon

Call me up and tell me where you are
Anytime you need a friend
I won't be very far away
Anytime I catch a glimpse of you
Well I'm over the moon
If I'm seeing you soon

Call me up and tell me where you are
Anytime you need a friend
I won't be very far away
Anytime I catch a glimpse of you
Well I'm over the moon
If I'm seeing you soon
