

Scorpio

Pilot

I take to my fortune
My silver spoon fortune
Born on the scorpion sign
In '49

In times of depression
A wrongful impression
Is something that
I can't deny
I told a lie
I told a lie

Boy, get down
Get down
Get down
Get down, boy
Only give a sign of what you got
(Oh, ah)

Boy, get down
Get down
Get down
Get down, boy
Only give a sign of what you got
(Oh, ah)

Love song
Hold on
Don't let me down

Boy, get down
Get down
Get down
Get down, boy
Only give a sign of what you got
(Oh, ah)

Boy, get down
Get down
Get down
Get down, boy
Only give a sign of what you got
(Oh, ah)

Hold on
Love song
Don't let me down
