

What You Workin With

Pimp C

Show me what you workin with, bitch, what you got
Show me, show me what you workin with bitch, what you got
Show me what you workin, show me what you workin

Boy say he lookin for me, I don't see the bitch
I ride 1D, never sleep, gettin rich
Fat, short, tall, giant, you can get it, nigga
Talk big, fuck you, you can get it, and your bitch
I'm the prototype, and you an imatation
I'm worldwid, pimpin through your radio station
Sweet jones, smellin like fresh calone
Fuck that nigga, he a clone, millionaire from my microphone
What you know bout gettin drugs cross country
Nigga, your Pees big, but your diamonds look muddy
And you a bitch in the street, your repuation soft, you ain't a gangsta
Bitch!

Show me what you workin with, bitch, what you got
Show me, show me what you workin with bitch, what you got
Show me what you workin, show me what you workin

Boys say they lookin for me, I ain't hard to find
I'm in my town every night, where it's going down
I'm too big to hide, and too G to be scared
So whoever lookin for me, better be prepared
Roll solo, but I keep a gang of them thangs
Ten shots for every nigga, and that shit you clame
Talkin tough, but you bitches ain't goin do shit
Go ghost when you hear that first round spit
It's hard to find a real nigga in this world of snakes
Everybody snitchen, turn to the feds when they catch a case
Passed up a lot of breat, cause I trust you
This new Uzi have your ass singin all the way to the county, fool
Thugger!

Show me what you workin with, bitch, what you got
Show me, show me what you workin with bitch, what you got
Show me what you workin, show me what you workin

Show me what you workin with, bitch, what you got
Know you wanna fuck me, cause you know I got a not
Know you wanna suck me, cause you sittin by the Benz
You just gave the keys to your car to your friends
Think you gettin in, but you must be mistakin
Cause if you ain't the wifey, I ain't bringin you the Baken
I never been a sponcer for a hoe, that's my habbits
Got that on your mind, keep on your Dro, goddambet
Send you to the government, cause you on some other shit
I'm supposed to pay you, cause you wanna suck a brother's dick
This ain't the movies, Stella can't get a groove
Go to the chearch, cause the pimp is on the move, what it do

Show me what you workin with, bitch, what you got
Show me, show me what you workin with bitch, what you got
Show me what you workin, show me what you workin
