

## Alcove

## Pinegrove

I'll go if you want  
Alcove in the dark  
Yellow marigold  
All folded up in the front

I'll go to the west  
Where my family is  
Where Emily is not  
I'll go where I want

My friends in the east  
They bring me peace  
But they need release  
I'll go if you want
