

# Angelina

Pinegrove

Washing windows with Angelina  
I don't understand anything  
Violent angles from side to side  
How'd you get so tangled up in my life?  
How'd you get so caught?  
How'd you get so tangled up?

I love you like it's the old days  
When I could ask you anything  
How'd you get so tangled up in my thinking?  
How'd you get so caught?  
How'd you get so tangled up?
