

Drink water
Good posture
Good lighting
Good evening
You're mourning
The loss of
A feeling
A part of
A process
Of living
A vision
To do what
You're here to
You're crying
Not sleeping
I love you
Good morning
I love you
You're singing
I see you
You're smiling
And lying
Your hair in
A spiral
Drink water
Good posture
Good lighting
Good evening
Good morning
Good morning
Good morning
I see you
