

## At Your Funeral

Pinhead Gunpowder

At your funeral  
Things will be different  
I will feel so good

I'll pass out cigars  
Bring a big ol' cake  
& a keg, yes!  
I can hardly wait

Until they read your eulogy  
I'll laugh at your family  
"Let's be honest guys," I'll say  
"Better late than never"

There were lines I didn't want crossed  
There were times spent sick with regret  
Sleepless nights replaying in my head  
But then I opened my eyes  
To the light of the news  
I'm so glad I live to the day

Hey! At your funeral  
Our old friends will be surprised to see me smiling again  
I'll bring a date  
Rolling in the flowers we'll make  
Ourselves at home  
I can hardly wait
