

i'm electrified, i'm humoungonized  
nothing's gonna get me down  
in a world so vain, i can feel no pain  
i'll take it to the second round

i'm electing you, be electric, too  
tell me that you're doing fine  
it's a natural high, don't you wonder why  
let me be your power line

it's alright; it's alright  
if you take the time maybe you will see  
it's alright; it's alright  
was it good for you; well it's good for me

i'm electrified

i'm Electrified, I'm adrenalized  
taking changes one by one  
and i don't need hate to control my fate  
i just wanna have my fun

i'm electrified and my head's so wide  
nothing's gonna get me down  
in a world so vain i can take the pain  
take it to the final round

it's alright; it's alright  
if you take the time maybe you will see  
it's alright; it's alright  
was it good for you; well it's good for me

i'm electrified... i'm electrified...

get your hands out of your pockets  
let the world into your head  
don't you take away the passion  
put it back instead

it's alright; it's alright  
it's alright; it's alright  
well it's good for me

i'm electrified

get your hands out of your pockets  
let the world into your head  
don't you take away the passion  
put it back instead  
i'm electrified
