Pink Floyd

Emi A Emi A

Emi A

1. Breathe, breathe in the air

Emi A

Don't be afraid to care

Emi A

Leave but don't leave me

Emi A

Look around and chose your own ground

C

For long you live and high you fly

Hmi

And smiles you'll give and tears you'll cry

F

And all you touch and all you see

G G7 H

Is all your life will ever be

2. Run, run rabbit run

Dig that hole, forget the sun,

And when at last the work is done

Don't sit down it's time to start another one

For long you live and high you fly

But only if you ride the tide

And balanced on the biggest wave

You race toward an early grave.
