Learning To Fly

Pink Floyd

G
Into the distance, a ribbon of black
Emi
Stretched to the point of no turning back
G
A flight of fancy on a windswept field
Emi
Standing alone my senses reeled
G
A fatal attraction is holding me fast, how
Emi
Can I escape this irresistible grasp?

C Ami
Can't keep my eyes from the circling sky
F C
Tongue-tied and twisted just an earth-bound misfit, I...
G A G G A G

G
Ice is forming on the tips of my wings
Emi
Unheeded warnings, I thought I thought of everything
G
No navigator to guide my way home
Emi
Unladen, empty and turned to stone

C Ami
A soul in tension that's learning to fly
F C
Condition grounded but determined to try
Ami
Can't keep my eyes from the circling skies
F C
Tongue-tied and twisted just an earth-bound misfit, I...
G A G G A G

G
Above the planet on a wing and a prayer,
Emi
My grubby halo, a vapour trail in the empty air,
G
Across the clouds I see my shadow fly
Emi
Out of the corner of my watering eye
G
A dream unthreatened by the morning light
Emi
Could blow this soul right through the roof of the night

C
There's no sensation to Amicompare with this
F C
Suspended animation, a state of bliss
Can't keep my mind from the circling skies

F        C        D        G
Tongue-tied and twisted just an earth-bound misfit, I...
