

# I Told Ya I Love Ya, Now Get Out!

Pink Martini

I've told ya I love ya, now get out!  
I've told ya I love ya, now get out!  
Everything's rosy and everything's Jake  
But just how much can a good girl take?  
I told ya I love ya, now get out!

There may be times when I need ya, there's no doubt  
Baby, now you're somethin' I can do without!  
Leave your number and go on home  
The doorway was there, which is by the phone!  
I've told ya I love ya, now get out!

Baby, please leave me be  
You want a puppet and there's no strings on me!  
Get hep, you can leave on the five eighteen  
Now don't go 'way sayin' I've been mean  
Like any gal I can change my ways  
A round trip ticket's good for sixty days!  
I've told ya I love ya, now get out!

Baby, please leave me be  
You want a puppet and there's no strings on me!  
Get hep, you can leave on the five eighteen  
Now don't go 'way sayin' I've been mean  
Like any gal I can change my ways  
A round trip ticket's good for sixty days!  
I've told ya I love ya, now get out!  
I've told ya I love ya, now get out!  
I've told ya I love ya, now get out!
