

Call Me

Pink Sweat\$

I can't lie I'm still troubled in my mind sometimes
Since you left girl, since you left girl
I can't lie your body fresh up on my mind
When I'm, when I'm with her, when I'm with her

You so young couldn't go home, you so drunk couldn't go home
I'm calling you up come over

Let's make love shawty, let's make love shawty
Like we did way back when I know you've been reminiscing
Call me up shawty, just call me up shawty
Yeah I miss what we did lately I've been reminiscing

I can't lie your scent's still on my clothes
I still like it I still like it
I can't lie she don't try the things you try
I don't like it I don't like it

You so young couldn't go home you so drunk couldn't go home
I'm calling you up come over

Let's make love shawty, let's make love shawty
Like we did way back when I know you've been reminiscing
Call me up shawty, just call me up shawty
Yeah I miss what we did lately I've been reminiscing
