

Just stay the night  
I need you now, I do  
Oh, oh  
Just one more time  
Can we pretend everything's all good?  
Yeah-yeah, yeah-yeah  
You say I'm selfish, and I know it's true  
Can't blame me for reaching when I'm falling for you

'Cause baby, I'm a slave for you (Yeah, ayy)  
You got me wrapped up in your chains (Yeah)  
I'd throw my life away for you (Yeah)  
Oh no, nothing's been the same  
Since you've been away

Say that you're mine  
I need to know it's true (Yeah)  
Just for tonight  
Can we make love like we used to do?  
Yeah-yeah  
You say I'm crazy, well, maybe it's true  
Can't blame me for tryin' if my effort's for you

'Cause baby, I'm a slave for you (I'm a slave)  
Got me wrapped up in your chains  
I'd throw my life away for you (Yeah)  
Oh, girl, nothing's been the same  
Since you've been away

Baby, I'm a slave for you  
You got me wrapped up in your chains  
I'd throw my life away for you  
Oh, girl, nothing's been the same  
Since you've been away
