

How come all these feelings they make us crazy  
Yeah, I always on the "Don't look, don't touch my baby  
That's mine, that's mine"  
Oh baby, he lied  
Now my eyes only see sus' activity  
Usually on my guard, but you're just trying to be a friend to me  
You said I was similar and when they show me sympathy  
Stories over Hennessy, 'bout old lovers and enemies  
I'm fucking with your energy, oh hmm  
'Cause there's not a lot of guys like you  
Not a lot of guys like, guys like you, hmm

So I said, "What if I dive deep?  
Will you come in after me?  
Would you share your flaws with me?  
Let me know"  
You told me, "Thinking is all wrong  
Love will happen when it wants  
Know it hurts sometimes  
But don't let it go"

'Cause I want you, I want you, I want, I want you  
'Cause I want you, I want you, I want, I want you (You)

She said, "What if I tell you all the things I've done?  
Would you run away from me?"  
I told her, "Baby, we all got bags full of shit that we don't want  
But I can unpack it for you, baby"

She said, "What if I dive deep?  
Will you come in after me?  
Would you share your flaws with me?  
Let me know"  
I told her, "Thinking is all wrong  
Love will happen when it wants  
I know it hurts sometimes  
But don't let it go"

'Cause I want you, I want you, I want, I want you  
'Cause I want you, I want you, I want, I want you (Yeah)

I want you  
I want you  
I want you, yeah  
Ooh, nasty boy, oh shit
