Lows

Pink Sweat$

Take your time with this love
Say you're mine forever
'Cause even when I'm at my lowest low
Just know forever, I'll be there for you

When you get tired of this wasteland
I'll always open up my door to you
I really hate it when we ain't friends
Can't stand the drama, can we just be cool?

A single moment feel like all day
Lookin' in your eyes erase all the pain
I swear that I don't wanna change
I just wanna dream while I'm awake

Take your time with this love
Say you're mine forever
'Cause even when I'm at my lowest low
Just know forever, I'll be there for you
Take your time with this love
Say you're mine forever
'Cause even at my lowest low
Just know that I'll always be there for you

You say that you tired of fallin'
You want somebody that's gon' fall with you
Come let me show that I'm all in
Lay down my life, I'd really die for you

A single moment feel like all day
Lookin' in your eyes erase all the pain
I swear that I don't wanna change
I just wanna dream while I'm awake

Take your time with this love
Say you're mine forever
'Cause even when I'm at my lowest low
Just know forever, I'll be there for you
Take your time with this love
Say you're mine forever
'Cause even at my lowest low
Just know that I'll always be there for you

I'll be there for you
Even at my lowest low
Just know forever I'll be there for you
I'll be there for you
Even at my lowest low
Just know forever I'll be there for you

Take your time with this love
Say you're mine forever
'Cause even when I'm at my lowest low
Just know forever, I'll be there for you
