

## Not Nice

Pink Sweat\$

You see they mad, no  
'Bout to blow a hundred stacks though  
Had to get it from the backroom  
They wish they could take it back, no  
They wish they could take it back, uh  
Throw the bag in the trunk  
Like, uh (it's like, oh)  
I do what I want (yeah)  
It's no nice (yeah, not nice)  
Do this shit on my own (my own)  
It was doing me wrong  
Yeah, I hate it no more

Yeah, I feel like Killa Cam  
Girl, what mean the world to you?  
If I was from Texas I would tell her what to do  
You drive a Honda Civic, I get you that Bentley Coupe  
Have you see in different views  
Me and you would never lose  
You want a Leo man, that sound like a plan to me  
He thought you'd never leave, we had better chemistry  
I went from Dominos to living out in Beverly  
Been way from heaven, she was shittin' on my enemies

Oh, throw the bag in the trunk  
Like, uh (it's like, oh)  
I do what I want (yeah)  
It's no nice (yeah, not nice)  
Do this shit on my own (my own)

They wish they could take it back  
They know they can't  
They say I got lucky, they don't understand  
I've been workin' hard, I be had a plan  
And while everybody judge, I don't give a damn  
Hear my money dance while I

Throw the bag in the trunk  
Like, uh (it's like, oh)
