

Run Through Fire

Pink Sweat\$

It all started in the summer
And you hit me like a breeze
Now we've made it to the winter
And I'm hoping we don't freeze
Oh, I wanna tell you something
With all the words that I can give
I'm in love with everything about you
And that's just the way it is

And I hope you know
Even when it doesn't show, mm

I'll run through fire for you
Whatever I gotta do
Give you my heart while it beats
'Cause with you's where I wanna be

To do do do do do do
To do do do do do do
To do do do do do do
To do do do do do do

Oh, you're sounding like a raindrop
When you're falling on the trees
Make your way down to the soil
And those roots, they do run deep
Oh, you're something like a sunrise
Pretty to my mind
Soothing to my soul
Watching the world spin one more time

And I hope you know
Even when it doesn't show, mm

I'll run through fire for you
Whatever I gotta do
Give you my heart while it beats
'Cause with you's where I wanna be

To do do do do do do
Na na na na na na
Ooh
